*MicDrop*

# SPACIOUS, GRACIOUS, AND VIVACIOUS.

Here it is, the new kid on the block. So close to the South Melbourne market you can almost smell the dimmies. Yet in a league of it's own when it comes to style and panache.

A spacious 213sqm corner venue with city views, MicDrop South Melbourne has everything you'd expect from a creative venue space. Concrete floors, plenty of natural light, first-class AV tech and a vibe that's second to none.

Our catering partner Timber + Greens is also based here, so fresh delicious brain fuel and kick-arse caffeine fixes are a specialty.

Ideal for workshops, team meetings, brainstorm & briefings, presentations & product launches. Not suitable for CWA cake stalls, your cousin Robbie's 21st & anything boring.
