MicDrop

SLEEK, CHIC & DANGEROUS TO KNOW

MicDrop Richmond is quintessentially Richmond. Chic, hip, versatile and oh-so very innovative. With its polished concrete floor, exposed brick walls, and abundant natural light, it's a space that's designed to elevate your corporate event from 'meh' to mesmerising.

The 120sqm room includes a stage, dimmable lighting, breakout boardroom and high-speed wifi. There's even a connected kitchen to keep those celebratory end-of-event bevies nice and cold.

Ideal for workshops, team meetings, brainstorming and briefings, presentations and product launches.

Not suitable for bingo, weddings, bar mitzvahs, engagement parties or anything boring.

A DIFFERENT VENUE?

INTRODUCING MICDROP HAWTHORN

This ain't your Aunt Edna's Hawthorn. MicDrop Hawthorn brings Gotham City swagger to Melbourne's leafy inner east. Exposed brick and industrial-chic accents provide the perfect backdrop for events that will linger longer in people's memories.

Along with all the cutting-edge event-tech you'd expect from a space this fly, the 145sqm room includes dimmable lighting and blazing fast wifi, as well as breakout boardroom and meeting rooms for when you just can't contain all your good ideas in one space.

And to keep your team fuelled, catering partner Timber + Greens is on hand to curate and serve healthy, wholesome, delicious food sourced from local and (where possible) certified organic producers. Their coffee is out of this world too.

Ideal for workshops, team meetings, brainstorming and briefings, presentations and product launches. Not suitable for sheep shearing, drumming circles or anything boring.
